▬▬▬ Education

2020-2024 (expected) — **BSc Computer Science and Engineering** / TU Delft

I am currently 3d year student. During studies I learned about variety of technologies and gained a lot of team working experience.

2019-2020 — **Vilnius School of AI**

Ai focused community in Lithuania. There I learned about topics related to data analysis from Data science to Deep learning and developed multiple Ai related projects including analysis of Board games marked and Image clustering system based on cnn.

2016-2020 — **Sofijos Kovalevskajos gymazium** / Vilnius

My highscool where I choose focus on the Math, Informatics and Physics.

▬▬▬ Work Experience
